Subject: Opposition to the GCA

State Board of Education

333 Market St.

Harrisburg, PA 17126

Dear Mr. Buckheit, and State Board of Education Members,

I am writing to express my OPPOSITION to the GCAs.

I am opposed to double testing of our students. I am opposed because students in our district are already reaching proficiency in reading, math, and science either through the PSSA exams or through a comprehensive, local assessment. Also, this will be another set of exams to administer which will add additional cost to the district. I think we test them enough already to know that they are competent.

Most sincerely,

Ayuko Siegel
