**Subject:** opposed to the GCAs

Dear Mr. Buckheit, and State Board of Education Members,

I am writing to express my opposition to the GCAs.

I can't think of one good reason to use the GCAs in our school district, and I can think of many reasons not to. Most importantly, we test the kids enough now, and the district is able to determine if a child is ready for graduation. Please do not impose STATE standards on what should be an issue of local control.

Most sincerely,

Sandi Gorman
