Mr. Buckheit,

As an ACE representative from Lackawanna County I would like to notify you some reasons of my concern in this matter. I feel these millions of dollars can be far better spent to help students with smaller class sizes in the younger grades, tutoring and summer school programs, parental involvement programs, and enhancing the programs we now have-reading, math, and guidance. We have PSSA's already, so stop spending money on more standardized testing. Thank you for listening.
