Subject: CONTACTED BY STATE BOARD OF ED
Importance: High

Dear SHASDA Superintendents:

The article in today's Post-Gazette obviously got our organization some attention. I received a message on my voice mail at school late today from Jim Buckheit, Exec. Director of the State Board of Education. His message asked me to call him back on Monday as they wanted to engage in a "conversation" with the representatives of OUR ORGANIZATION.

I will let you know via e-mail what it is that they would specifically like to do and when.

The article in the Post-Gazette was well written and Shauna's comments were excellent. I have attached the link below.

<http://www.post-gazette.com/pg/08052/859002-55.stm>

I think that the message that this sends is that we as SHASDA can indeed be an influence.

Our Board will not vote until Tuesday but all members present were very much in favor at the committee meeting this past Tuesday.

We are asking that all superintendents send to Mary Ann, as soon as possible (we were hoping you would approve it in February), a copy of the resolution as well as the names of all board members who voted to approve.

Thanks. I will keep you updated.

Linda
