Subject: Keystone Exams

I am writing to demand that you vote the moronic Keystone Exams down, Easy Ed will have to pay back his buddies in another fashion. By now your dep't is obviously aware that the organizations that represent the local taxpayer are against these exams but I have no confidence that that will make a difference as your boss is also part of the problem as he attempts to feather his nest with all of his own political contacts. Here is to hoping you do the right thing BUT WITH LITTLE CONFIDENCE YOU WILL DO SO. It must be quite a battle everyday to have your conscience tell you one thing and ALL THE SPECIAL INTERESTS TELL YOU ANOTHER !!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!11
