Please vote DOWN #006-312 (Keystone Exams). -We already have the PSSA's -Taking both the Keystone Exam and the PSSA's is overtesting -The Keystone Exams are way too expensive and would put and even higher burden on the taxpayer, school tax, and state tax. -The National Govt. has yet to put out their testing expectation; wait until the Obama administration decides on it's course of action for education before Penna. implements the Keystone Exams. That's the prudent course of action! Thank you
