U.S. HOUSE OF REPRESENTATIVES

Dear Sirs:

I am writing to say that I am opposed to the proposed changes to Pennsylvania's Graduation requirements that include Keystone Exams, and I ask your support for any legislative initiative that will block their implementation or development. I further ask that you oppose any plans to fund the development of these tests. Schools already have enough testing data to know which students need additional support without an expensive new system that threatens student graduation rates.

Regards,

Sharon L. Boothe
