Regulation No. 54-65 (#2714)  
Pennsylvania Liquor Control Board  
Promotion of Sale of Liquor by Vendors

On August 7, 2008, the Independent Regulatory Review Commission (Commission) received this proposed regulation from the Pennsylvania Liquor Control Board (Board). This rulemaking amends 40 Pa. Code Chapter 13. The proposed regulation was published in the August 23, 2008 *Pennsylvania Bulletin* with a 30-day public comment period. The final-form regulation was submitted to the Commission on October 27, 2008.

This regulation creates a sub-category of stock merchandise, known as "luxury items." These are varieties of wine and spirits that are in short supply or high demand, as may be determined by the Board.

We have determined this regulation is consistent with the statutory authority of the Board (47 P.S. §2-207(i)) and the intention of the General Assembly. Having considered all of the other criteria of the Regulatory Review Act, we find promulgation of this regulation is in the public interest.

**BY ORDER OF THE COMMISSION:**

This regulation is approved.

  
Arthur Coccodrilli, Chairman
