Dear Mr. Histry,

Hi! I wanted to write to express my gratitude to you for taking the time and making the effort to formulate the new regulations for dental hygienists. I love my career as a dental hygienist and it helps to know the profession is moving in an optimistic, positive direction full of limitless opportunities. Thank you for dedicating your energies to secure the future of dental hygiene while broadening the scope of our practice, so that more people can be helped, and so RDH's can utilize their skills and talents (and personalities) more fully!

Sincerely,
Jeanene M. Deninger, RDH
