INDEPENDENT REGULATORY
REVIEW COMMISSION

State Board of Dentistry,

I would like to express my support for the proposed Dental Hygiene Scope of Practice; Local Anesthesia regulations.

I would also like to recommend:

- Revised wording for supervision of RDH in private practice to: "level of supervision will be determined by the dentist and the RDH after review of the patients' medical and dental history"
- Inclusion of free health clinics like Community Volunteers in Medicine along with Federally Qualified Health Center LOOK-A-LIKES and non-profit clinics as sites for Public Health Dental Hygiene Practitioners to practice.

Thank you for your time and consideration.

Sincerely,
Angela McDougal, DH
