A new message has arrived from the IRRCC Website

First Name: Dawn

Last Name: Nikolaus

Company:

Email: happyhygienist1@msn.com

Subject: PH Dental Hygienist

Message:

To whom it may concern: I am employed as a dental hygienist in Lancaster county and I strongly support the new laws and regulations that are pending concerning dental hygienists. I have been in dentistry for 16 years (my entire adult life) and have seen countless numbers of people who will benefit from the services of a public health dental hygienist. Thank you for helping us help others. Dawn Nikolaus, RDH
