

2720

Dear Mr. Grouch,

I have been a practicing Dental Hygienist for 30 yrs in general and periodontal practices in the Delaware County and Chester County.

A strongly support the proposed regulations on Dental Hygiene scope of practice. It would greatly be encouraged to include free and non-profit dental clinics for the PTHH to advance access to care in the State of Pennsylvania. Thank you so much!
Sincerely,
Regina C. Farrell RDH, BS
