> Dear Mr. Grovich,

> I am writing in support of the new Pennsylvania dental
> hygiene regulations. I am very excited about the
> opportunity for dental hygienists to be able to administer
> local anesthesia. I am also very pleased to see the
> creation of a Public Health Dental Hygiene Practitioner. I
> feel that all of the new regulations will benefit the dental
> health of everyone in our communities, as well as, move the
> dental hygiene profession in a positive direction. These
> advancements have my full support!

> Thank you for allowing me to voice my opinion,
