

2720

Dear Mr Grovich,

I have been a practicing dental hygienist for twenty-four years, and I am currently practicing in Chester County, PA. I strongly support the proposed regulations on dental hygienist scope of practice. I would like these regulations to include free clinics and non profit dental clinics for the public health dental hygienist in order to achieve the goal of public access to dental care.

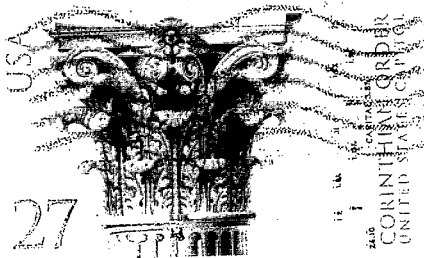

Thank-you,

Ellen Finkelstein, B.S. RDH
