Sincerely,

Dear members of the State Board of Dentistry,
I am support of the proposed regulations
permitting registration dental hygienists to all-
minuter local anesthesia. I have been a
generalist dentist for 33 years! My confidence
is as great in my dental hygienist, that I
follow her wherever she goes. I feel no com-
fortable with her that I have seen several
generalists in various offices that she works.
I would be extremely pleased to have my
dental hygienist offer me this service again.
Thank you for your consideration in
this very important matter.
