Dear Mr. Christopher Grovich, Esq.  
c/o State Board of Dentistry:

I am a Student Dental Hygienist and would like to join the PDHA in suggesting revised wording for supervision of RDH in private practice to: "level of supervision will be determined by the dentist and the RDH after review of the patients' medical and dental history". Please add the inclusion of free health clinics like Community Volunteers in Medicine along with Federally Qualified Health Center LOOK-A-LIKES and non-profit clinics as sites for Public Health Dental Hygiene Practitioners to practice.

Sincerely,

Mandy S. Gibson
