

# 2720

Dear IRRC,

I am writing to request and recommend revised wording for supervision of RDH in private practice to: "level of supervision will be determined by the dentist and the RDH after review of the patients' medical and dental history."

Inclusion of free health clinics like Community Volunteers in Medicine along with Federally Qualified Health Center LOOK-A-LIKES and non-profit clinics as sites for Public Health Dental Hygiene Practitioners to practice.

Sincerely,  
Shonna Anderson
