INDEPENDENT REGULATORY
REVIEW COMMISSION

Please Consider and Change the
4:1 N.P. TO PHYSICIAN RATIO
and the Schedule II Prescribing
regulations.

Positive Changes of these regulations
will provide better continuity of care for
patients and their families, less expense
and travel time for them and eventually
maybe some reduction in insurance
costs.

Give credit to C.R.N.P.'s where
it is due!

THANK you,

SANDY HINTON R.N.
U.P.M.C S.H. ENDO.
