November 12, 2008

Dear Ms. Steffanic,

I am a college student, with limited time as is everyone these days. I use an urgent care center for my medical needs, which are limited to cough and colds.

The urgent care center I go to is run and operated by a NP.

I would like to see the limits on NP lifted, including prescriptive authority. They are an essential part of our current health care program.

Sincerely,
