Subject: Nurse Practitioners- In Support

Dear Sir or Madam:

I am writing in support of the proposed changes to the Nurse Practitioner regulations. As a nurse practitioner since 2002, and as a registered nurse since 1995, I can attest to the fact that the scope of practice for our profession is clear. We are in healthcare for the right reason, and continue to keep the patient as our focus. We keep current in our field, and work daily to be team players. As a result, I see patient satisfaction and needs met.

Sincerely,
Frances Dougherty, RN, MSN, CRNP
