Ms Steffanic: This email serves to support the new CRNP Proposed Rulemaking impacting Psychiatric CRNP's. I am employed in a mental health center in Fayette County doing psychiatric evaluations and medication management. I have over 30 years experience in Psychiatric nursing and have served as adjunct nursing faculty at the University of Pittsburgh and Community College of Allegheny County. The new guidelines have the potential to maximize my ability to provide timely and cost effective treatment as well as deliver excellence derived from an expanded nursing psychosocial background.

Thank You Lenora Borucki CRNP
