Subject: No. 16A-4710 (continuing education)

§37.112. Reporting completion of continuing education.

- (a) Proof of completion of a course of continuing education shall consist of a certified continuing education record issued by the course provider, including:
- (5) The number of hours of continuing education or academic credit.

Comments

It would be helpful to define the acceptable conversion from academic credit to continuing education hours. I assume that 1 CEU is the equivalent of 10 PDHs, but how many PDHs are the equivalent of 1 semester credit (45?) or 1 quarter credit (30?) for junior/senior/graduate courses?
