Subject: Please vote to DISAPPROVE proposed regulation #2777 Department of Agriculture 2-160

Hello,

I am a raw milk consumer and have admired PA as a model of raw milk dairyland.

Please vote to disapprove proposed regulation #2777 Department of Agriculture 2-160.

Please do not put onerous regulations on small farms. Farming is not size-neutral, and what is safe and sanitary for a small farm may not be safe for a larger processing center.

Thank you.
