Subject: vote to DISAPPROVE "proposed regulation #2777 Department of Agriculture 2-160."

As a consumer and health food/whole food/ local food advocate I want my thoughts to be considered.

I respectfully ask that you vote to DISAPPROVE 2777 DOA 2-160.

I want to be able to purchase, consume and advocate the foods god intended and not factory made psuedo foods.

Our nation was founded on whole foods produced by local farms.
Please help us keep it that way.

My best to you and my hopes you will vote to disagree with this proposal.

Jeni Casale.
