Subject: Pproposed regulation #2777 Department of Agriculture 2-160: Milk Sanitation

Message:

My name is Jerry Folta, and I am a raw milk consumer. I respectfully request that you reject proposed regulation #2777 Department of Agriculture 2-160: Milk Sanitation. I am an intelligent, discriminating consumer and do not need protection from my farmer-neighbor. The proposed regulation attempts to remove all risk from daily life and, in the process, degrades our quality of life and increases the risks of mass contaminations. Please reject the proposed regulation #2777 Department of Agriculture 2-160: Milk Sanitation. Thank you, Jerry Folta
