Good afternoon,

Though I cannot travel to Harrisburg on October 7th, I would like to encourage the Pennsylvania Independent Regulatory Review Commission to vote to DISAPPROVE "proposed regulation #2777 Department of Agriculture 2-160." My family relies on affordable raw milk for health reasons and it would put a severe strain on our family's budget to have to purchase raw milk under the regulations in the proposed bill.

Thank you,

Jessica Guenther (and family)
