2010 OCT -4 P 3:31

I am advising the IRRC to oppose the proposed milk regulation and request that they vote to disapprove, "proposed regulation #2777 Department of Agriculture 2-160".

This proposal subjects raw milk producers to unnecessary expenses. This regulation would make it severely difficult for raw milk producers to make a living. They provide a valuable service to the marketplace. We don't want to lose any of them.

Thank you,

Karen Stevens
