Subject: vote to DISAPPROVE "proposed regulation #2777 Department of Agriculture 2-160."

Please vote to DISAPPROVE "proposed regulation #2777 Department of Agriculture 2-160." This regulation will pose an unnecessary and expensive burden on the small dairy farmer with no improvement in safety. Since nearly all the past contaminations have been with the large megadairies, it is unfair and unwise to penalize and perhaps bankrupt the small farmer. Please vote no on this regulation.
