Subject: RAW MILK

Message:

Im a raw milk consumer and respectfully request that regulation #2777 DEPT OF AGRICULTURE milk sanitation be rejected please. The regulation needs to focus on large operations, not on the local farmer/neighbor who takes much more pride and care in his operation. The large operation is much more complex and would have a big impact. not like the local caring farmer. PLEASE CONSIDER THIS AND HELP SAVE LOCAL FARMS, THANK YOU IN ADVANCE. TIM CHECCA.
