Subject: changes to pa raw milk regulations

To whom it may concern:

As a consumer of raw milk products in California, I am concerned about the proposed changes to Pennsylvania regulations because PA is a model raw milk state for the rest of the nation and so what happens in PA could eventually impact the other states. I strongly oppose the proposed milk regulations and request that you vote to **disapprove** "proposed regulation 2777 Dept of Agriculture 2-160."

Sincerely,
Barbara Hoff
