I oppose the proposed the milk regulations and request that you vote to DISAPPROVE "proposed regulation #2777 Department of Agriculture 2-160.

I live in Virginia and am a member of a herd of Jersey cows and get raw milk weekly. I can't tell you how much my health and the health of my husband has improved since we have been able to drink milk the way nature intended. Please get educated on this issue of milk. Thank you for your consideration.
