Subject: Disapprove proposed regulation #2777

I oppose the proposed the milk regulations and request that you vote to DISAPPROVE "proposed regulation #2777 Department of Agriculture 2-160."

I am a consumer of 'raw milk,' aka Real Milk. I grew up on real milk. When it was not available to me, I did not drink milk. When it again became available from local organic dairies, I resumed drinking the wholesome raw milk and I make it into kefir also.
