Subject: reject proposed regulation #2777 department of agriculture 2-160 milk sanitation

Dear sir/madame,

I am a raw milk consumer and I respectfully request that you reject proposed regulation #2777 Department of Agriculture 2-160: Milk Sanitation.

I am an educated consumer and do not want or need protection from my neighbor/farmer or local store. The public needs to be protected from the greed and hubris of large agri-cartels and agri-industrial complexes, but not my local farmer working to keep his customers happy and contributing to his/her community.

Sincerely,
Janet Simmons
