Subject: DISAPPROVE Proposed regulation #2777

To whom it may concern,

I am writing to express my concern about proposed regulation #2777.
This regulation will create unnecessary and undue hardship for small farmers.

As a small farmer myself, I understand how difficult it can be to make a living. We need to make it easier for farmers, not more difficult with more regulation that does nothing to ensure public safety or health.

I urge you to DISAPPROVE proposed regulation #2777 Department of Agriculture 2-160.

Thank you,

Jen Prosser
