Subject: raw milk

I wanted to let you know that I oppose the proposed milk regulations and request that you vote to DISAPPROVE "proposed regulation #2777 Department of Agriculture 2-160." Raw milk is very beneficial to people who cannot tolerate pasteurised milk. Please let the sale of raw milk be a sustainable life style so people who cannot have their own cows or goats still be able to purchase milk at a reasonable price.

Thank you very much.

Sincerely, Jennifer Klawitter
