Hello, I am not a resident of Pennsylvania, but I am a raw milk enthusiast. Pennsylvania is a model raw milk state for the rest of the nation and if this regulation passes it could eventually impact other states. This regulation would subject raw milk producers to unnecessary expenses that would make it financially difficult to continue in business. I would request that you oppose the proposed milk regulations and vote to DISAPPROVE proposed regulation #2777 Department of Agriculture 2-160.

Sincerely,  
Jennifer Stocks
