Subject: Vote NO on #2777.

My name is Joanne Welch. I live in New York State.

I respectfully request that you vote NO on the proposed regulation #2777 Department of Agriculture 2-160: milk sanitation in Pennsylvania.

Please let the sale of raw milk from small farms in Pennsylvania continue to sold to the public.

I want New York State to continue to let me buy and drink raw, healthful milk from local farmers in upstate New York, using Pennsylvania's small-farm raw milk sales as a fine example.

Thank you,

Joanne Welch
