Subject: proposed regulation #2777 dept. of agriculture 2-160

To Whom It May Concern:

I am writing as a raw milk activist in California, a wife, mother, grandmother, retired kindergarten teacher, and health advocate. I care about the proposed regulation of raw milk because PA is a model raw milk state and what happens there could impact other states.

I am asking that you oppose the proposed milk regulations and I request that you vote to "DISAPPROVE" proposed regulation #2777 Department of Agriculture 2-160.

Food choice is an important right of the people and should not be taken away. Thank you for your consideration.

Sincerely,

Mrs. Judith Griffin
