To Whom It May Concern,

I am STRONGLY opposed to the regulation of raw milk as is proposed in regulation #2777 Department of Agriculture 2-160 and I IMPLORE you to vote against this regulation.

I consume raw milk and it has GREATLY improved my health in several ways. I am an informed consumer, and I highly value my right to chose what I put in my body.

Please educate...NOT legislate.

Thank you.

Sincerely,
Leslie Arnold-Rautman
