INDEPENDENT REGULATORY
REVIEW COMMISSION

To Whom it May Concern:

It has come to my attention that the IRCC will be making a critical decision regarding the continuing legality of raw milk in the state of Pennsylvania.

I urge you to DISAPPROVE proposed regulation #2777 Department of Agriculture 2-160.

I am a raw milk activist and advocate based in California but serving the entire nation. Please do not restrict citizens ability to obtain their food of choice....raw milk.
