To Whom It may Concern - Independent Regulatory Review Commission,

I am a legal resident of Arizona who also spends time in the State of California. I am a raw milk drinker and activist and am fortunate that both states I live in during the year allow retail raw milk sales. Please vote to DISAPPROVE proposed regulation #2777 Department of Agriculture 2-160. What happens in your state can in the future adversely affect the rights of citizens in other states to obtain raw milk, "nature's perfect food", and a part of the human diet for millennia. Please - help keep our food freedoms!
