Dear IRRC,

I do not live in Pennsylvania, but am an avid raw milk activist. I have had nothing but improved health from drinking raw milk, and would like to see raw milk available for all who want it, **without** the obstacles which are currently in place. It should be as readily available as pastuerized milk. I am concerned about the regulations you are attempting to oppose on the raw dairy farms in Pennsylvania. What happens in PA could eventually impact other states.

I oppose the proposed milk regulations and request that they **vote to DISAPPROVE** "proposed regulation #2777 Department of Agriculture 2-160."

Thank you,
Marcia Stephens
