TO WHOM IT MAY CONCERN:

I would like to request that you vote to DISAPPROVE Regulation 2777, Department of Agriculture 2-160 as it would place unnecessary hardship on the raw milk producers in the State of Pennsylvania. Pennsylvania is a great state and should be proud of it's clean farms and clean, artisanal raw milk producers. We produce little enough as it is in America now-- why should we hinder the good production that is taking place. I hope you will consider this. Sincerely, Mary McCleary
