Subject: Proposed Reg #2777

Hello. I'm writing as a concerned citizen who believes people in this country have a right to purchase raw milk. I oppose the recently proposed milk regulations that I believe will severely impact the ability of raw milk producers in Pennsylvania to make a living. I also do not want what happens in your state to eventually have a negative impact on other states' laws. I strongly request that you vote to DISAPPROVE proposed regulation #2777 Department of Agriculture 2-160.

Sincerely,
