**Subject:** proposed regulation #2777 Dept. of Agriculture 2-160

**Message:**

To Whom It May Concern: I am writing to urge you to vote against proposed regulation #2777 Department of Agriculture 2-160. These proposed regulations will put an unnecessary burden on small farms. As a regular consumer of raw milk from small local farms, I am opposed to these proposed regulations that will make it more difficult for local farmers and by extension for me and my family to obtain a product of our choosing. Sincerely, Paula Focazio
