Subject: Regulation of raw milk in PA

Dear Independent Regulatory Review Commission:

I am a physician in private practice in NYS, and I both encourage and enjoy drinking raw milk that I purchase

from a certified raw milk dairy in NYS. As such, I am totally opposed to the the proposed milk regulations and request that you vote to DISAPPROVE "proposed regulation #2777 Department of Agriculture 2-160.

I very much appreciate your kind attention to this matter.

Best regards,
