Subject: proposed regulation on raw milk

Message:

Dear Sir or Madam, I am writing to urge that you reject the proposed regulation #2777 (Department of Agriculture 2-160 on "Milk Sanitation"). I buy raw milk directly from Pennsylvania-based farmers and I am worried this regulation might put them out of business or limit my access to food my family depends on. I have no problem with efforts to regulate large corporations for which profit is the bottom line. Those corporations have a history of sacrificing safety at the alter of profit. The same cannot be said of small family farmers and their relationship to their consumers. Whose interests would really be served by the proposed legislation? Not mine. Please reject it. Thank you. Susan Manning, Ph.D. Baltimore, MD
