2010 OCT - 5 A 10:50

Dear Chairman Coccodrilli:

It is my understanding that the Commission will be considering the Agriculture Department's Milk Sanitation Regulation 2-160, at a public meeting being held Thursday, October 7th.

I would like to be on record to show that I am opposed to this proposed regulation. I can appreciate a desire to improve the quality of milk products; however, I believe that an individual who has made the decision to drink milk in its natural form is assuming responsibility for their actions.

Thank you for your consideration to my request.

Sincerely,

JOHN J. SIPTROTH
State Representative
