To whom it may concern:

I urge PDA to make the following changes to the proposed regulations

Exempt direct transactions from the producer to the consumer from the regulations.

Direct transactions between the producer + the consumer do NOT impact the "public's" health, safety or welfare and are purely private in nature.

Conventional food made me very sick incl. factory milk!

I need the raw milk!! I am Swiss and am able to get it in Switzerland with NO Problem

We also live in NJ and bring our moneys to PA

Thank you very much, Judith Mudrak
