Subject: Proposed Regulation 2-160 Milk Sanitation

Hello, Scott and Michaele:

Just letting you know that Agriculture will be extending the public comment period for the above proposed regulation by an additional 30 days. The proposed regulation was published on August 1, and called for a 30-day public comment period. The revised public comment period will run from August 1 *through September 30*.

Formal notice of this extension will be published in the August 29 edition of the *Pennsylvania Bulletin* – and I'll be sending a letter to IRRC confirming this - but I thought you might want this advance heads-up.

As we move forward, if there's anything I can provide or answer, please let me know.

Dwight
